

EMPLOYEE SAFETY POLICY

Supreme Safety and Occupational health responsibilities are driven by our commitment to ensure zero harm to people we work with and society at large and are integral to the any way we do business.

SAFETY PRINCIPAL

- Safety is a line management responsibility
- All injuries can be prevented.
- Feel concern and care for the employees on 24 hours – safety shall be demonstrated by leaders.
- Employee shall be trained to work safely.
- Working safely shall be important requirement of employment.
- Every job shall be assessed for the risk involved and shall carried out as per authorised procedure /checklist / necessary work permit and using necessary work permit and using necessary personal protective equipment.

We are committed to continual improvement in our Safety and Occupational health performance.

- We shall set objective-targets, develop, implement and maintain management standards and systems, and go beyond compliance of the relevant industry standards, legal and other requirements.
