Company sets up its 28th Unit at Cuttack (Odisha)-Commences Commercial Production

Mumbai, 17th February, 2023: The Supreme Industries Limited (Supreme), India's leading Plastics products manufacturing Company today announces commencement of commercial production of its 28th Unit set up at Cuttack (Odisha).

The Unit is spread over an area of about 30 acres and gone into commercial production with initial capacity of 16,800 MT per annum with a Capex of about Rs. 90 Crs. The same would reach to 43,200 MT per annum once all the machinery ordered is delivered and installed, likely by first quarter 23-24 taking the total capex at the unit to about Rs. 125 Crs. The unit would be manufacturing various Plastic Piping Products viz. UPVC Pipes, HDPE Pipes, Tanks, Plain and Braided Hoses etc.

Company expects to penetrate Plastic Piping Products market in Eastern India where it enjoys good market share backed by well- established quality and brand.

Commenting on the development, Mr. M.P. Taparia, Managing Director of The Supreme Industries Limited said:

With the Cuttack unit into operation and other Greenfield units at Guwahati & Erode already became operational during the course of the current year along with brownfield expansions at other existing locations, Installed Capacity of Plastic Piping Systems products shall reach to 6,15,000 MTPA by March, 2023. The commissioning of the new unit takes us closer to our objective to aggressively grow Plastic Piping System business at pan India level. The Company is a leader in the Plastics Piping Systems and has largest portfolio of products which is being continuously expanded to offer more systems as per market requirement. The new Unit provides us the requisite scale and capacity to help in meeting the growing demand of Company's products.
